

### *Welcome to our first Newsletter.*

This Newsletter was created (and will be updated each month) to provide and give you overall information about our products, general overview about World Fruits Centre and also to improve the communication between us and our Clientes. We do hope that both parties will benefit from our monthly newsletter. If you have any or recommendations to our newsletter, please forward an email to our Business Development Manager, Chris Lasota at [chris@wfc-qatar.com](mailto:chris@wfc-qatar.com)

### *Upcoming Events:*

Within the next couple of weeks, World Fruits Centre would be asking our valued customers to participate in our client satisfaction survey. Additional Information about the survey will be send to you via email.

### *Tips:*

Please kindly place your orders before 4:00pm (latest) to receive your goods on time the following day.
