

## Welcome

Welcome to our monthly edition of **WFC Newsletter** where we continue to keep you up to date about us, along with our added services and our focus on building relationships with our Customers. Also in the edition, we highlight seasonal products for this month.

We hope you enjoy this edition and if we can be of any assistance, please feel always free to call or email us.

## What's New:

- Air Cargo operations at the Hamad international Airport (HIA) are now back to normal. No major issues have been noted in the past few weeks.
- The Ministry of Environment (MoE) has destroyed nine consignments of agricultural produce for violation of agriculture laws. The consignments contained 33.35 tonnes of infected and rotten products. Meanwhile, 5,299 consignments of agriculture products were inspected at various entry points of the country. Nine similar cargos were inspected for the purpose of export (source: The Gulf Times).
