

Welcome

Welcome to the September edition of **WFC Newsletter**, where we continue to keep you up to date about us, along with our added services and other useful info.

We hope you enjoy this edition and if we can be of any assistance, please feel always free to call or email us.

What's New:

- The prices of fruits in the central market have increased significantly in the last weeks, local Arabic daily *Arrayah* has reported. A number of traders have attributed the price hike to the limited supply caused by the soaring temperatures which damaged large quantities of fruits. Besides losing large amount quantities of produce due to the hot temperatures, it has been also noted, increase in transportation costs and other factors contributing to the price hike (source: Gulf Times).
- **World Fruits Centre** is kindly asking our customers, where possible, to return empty boxes from Bananas, Apples and Oranges to us. This will allow to minimise the waste by re-using these boxes.
